OMS nab Charity Golf Title for the Second Time

On Friday 7th May, The Children's Centre held their annual golf day at the Mount Murray Golf Club in Santon. The event, which was sponsored by Domicilium, the Island's leading hosting, network and managed solutions provider, saw 18 teams representing corporate companies from across the Island taking part.

The event was won by the Office Maintenance Systems team (who also won the event in 2008) lead by managing director Roger Harris with a score of 53.85. In second place was the Friends Provident Team with a very respectable score of 55.55. Mac Financial sponsored the 'Nearest to Pin' prize which was won by Paul Blake playing on the Dougherty Quinn team.

The event raised £6500 for the local charity, Michelle O'Malley, acting fundraising manager said, 'Once again we are so thrilled to have had the support of the corporate community for this event. The sponsorship from Domicilium means that all money raised on the day goes directly towards supporting our charitable work; whether that means a child can spend time with a non resident parent in our child contact centre or a young person gains self esteem through challenging outdoor activities with our MOBEX team. I can't thank the teams and sponsors enough'.

Andy Swearman, Managing Director of the Domicilium said, 'We really are committed to the Manx community and so we are happy to have sponsored this event from which the profits will make a difference to hundreds of children's lives across the Island'.

About our Services

As the Isle of Man's leading children's charity, The Children's Centre works directly with over 1,000 children, young people and families each week. We run 15 vital services across the Island, each working to address a different recognised need. We put children and young people first by offering childcare, play, adventure activities, learning opportunities, residential care and support services to enable them to realise their full potential for the future.

For families we offer support to parents from pregnancy through to dealing with the teenage years. Often little attention is paid to preparing people for this vital role, yet parents are key to giving children a happy and stable childhood. We provide first class services that offer practical advice on a wide range of issues such as: divorce; contact; child behaviour and budgeting; whilst at the same time offering a helping hand, and the opportunity to meet other parents.

Safe and progressive communities give everyone the freedom to flourish and are vital to the wellbeing of children and their families. Our work in communities throughout the Isle of Man aims to ensure that the needs of all children, young people and families are put first, regardless of where they live.
