Dear Friend

INVITATION to be an “Education Friend” by joining the M.O.S.T. “300 Club”

Manx Overseas Student Training (M.O.S.T) was established as a Charity in August 2007 with the sole aim of helping overseas students from underdeveloped countries have access to higher education on the Isle of Man.

The Directors of M.O.S.T. believe that education is the key to helping people out of poverty by gaining self-respect and dignity. The ultimate goal is, of course, to help students become qualified and return to their own countries and thereby contribute to their own nation's economy.

At present the charity is sponsoring one student who is taking a two year BTEC National Diploma in Business Course with the Isle of Man College.

Our student is from Nigeria and is now in her third year on the Island. The fees charged by the Isle of Man College are £6,043 per year for 2009/2010.

If the amount you donate to M.O.S.T. is £100 or more for the “300 Club” it will be tax deductible in the Isle of Man as a Charitable donation.

You might consider buying, for £50, a “300 Club” gift membership as a worthwhile gift for a family member or for friends. This will help people out of poverty through education, resulting in many long-term benefits. Your recipients will receive a beautiful card and certificate showing the value of your gift.

The Directors of M.O.S.T. hope you will consider participating in this opportunity and join the “300 Club” to help tackle world poverty through this gift of education.

Yours sincerely,

Mrs R P Leach, Secretary
Manx Overseas Student Training
