

St German's Cathedral

Menorah Sculpture

The specially commissioned Menorah is now in the centre of Peel Cathedral as part of the Anne Frank + You Exhibition.

This sculpture is unique and the only one in the world so worth seeing. It represents God's presence, light, His word and is a symbol of the Jewish faith and peace.

The Menorah is made out of spent rockets fired in the Gaza conflict and has been made in Israel especially for the Cathedral Regeneration Project. The Menorah will remain in the Cathedral after the Anne Frank + You Exhibition has gone as a permanent reminder and for reflection.

The Bible verse on the base is in Hebrew, English and Manx. The flowers around the stem are almond blossom.

Postcards are for sale at 30 pence each and are available in the Cathedral.
