

**ISLE OF MAN OSTEOPOROSIS SOCIETY
NEWSLETTER DECEMBER 2009**

Dear Friends

On behalf of the Committee I would like to wish you and your family a lovely Christmas and a very happy and healthy New Year.

2009 has been another busy year for the Charity. Dr Karen Wilson has once again been working behind the scenes on our behalf as well as undertaking talks on Osteoporosis to various groups. We arranged a lecture evening with Dr Peshin the Consultant Rheumatologist/Physician when he spoke of his vision of Osteoporosis Care on the Isle of Man in the future. Over 100 people attended the lecture and it proved to be a very stimulating and enjoyable evening.

We have been active with our fund raising at a rather difficult time for everyone financially. However by writing to Companies and Trusts we have obtained funds for our on going projects. These monies will be spent for the benefit of the people of the Isle of Man. During the year we lost two of our loyal supporters and instead of flowers they had requested donations be given to the Isle of Man Osteoporosis Society. This thoughtfulness was very much appreciated by us all and we would like to thank the families concerned for arranging this.

We are going to run a Tombola in 2010 to help raise funds and I do hope that we can, once again, rely on your help in selling tickets.

We have recently joined the Connect2Charity website and we are happy with the results and hope that the information it contains will provide helpful to people wanting to know about the Society.

We are all continuing to work hard to meet the needs of people on the Isle of Man who suffer from Osteoporosis and would like to thank all who have supported us during the past year. We would also like to thank everyone who has donated to the Charity, as without your help we could not continue with the work we do.

With kind regards and best wishes from all the Committee.

Mrs Thelma Lomax
Chairman
